15. Multidisciplinary / interdisciplinary	

- Jaikranti Arts Senior College, Latur is an affiliated Senior college. It offers grant-in-aid program BA and non-grant-in-aid programs B. Com, B.Sc., PG in Geography and Political Science and M.Com. The Institution also has a recognized center of YCMOU, Nasik and Distance Education of SRTMU, Nanded. Our Parent Institution also runs D.T. Ed. And B.Ed. programs in the same campus. We also applied for the Research Centre in Political Science and Geography.
- Ability Enhanced Compulsory Course in Communicative English and Marathi/ Hindi are at core for all UG programs for the first four semesters. Environmental studies, a credit-based course, is the mandatory course for the final year of all the UG programs. Research Methodology is a compulsory course for UG students of Arts and Commerce. Economics is the part of BA as well as BCom. Filed projects, assignments, internships are undertaken by students.
- The syllabus is provided by the Parent University. The University has introduced Choice Based Credit System already. The University has designed the courses and projects in the areas of community engagement and service, environmental education, and value-based towards the attainment of a holistic and multidisciplinary education.
- Ours is the institution that offers grant-in-aid BA and non-grant-in-aid B.Com., B.Sc., M. Com and MA in Political Science and Geography. Our Parent Institution has also introduced D.T.Ed. and B.Ed. programs. Besides, the Research Centers in Geography and Political Science are proposed.
- The institution organizes various interdisciplinary activities including guidance for competitive examination, Career Guidance Programs and Placement opportunities, Counselling, Mentor-mentee, Lectures from eminent personalities, Women Empowerment, Health and Hygiene, Yoga and Meditation, Training programs for teachers and students, Capacity Building and personality development and workshops, conferences and seminars on various issues.

16.Academic bank of credits (ABC):

- Ours is the multi-faculty affiliated institution that promotes Multidisciplinary/ interdisciplinary education. The parent University has already implemented the Choice Based Credit System. We are in touch with our students to open the ABC Id account. The ABC system offers a chance to our students to transfer and redeem the credits from another institution.

- Being an affiliated Institution, we have not registered under the ABC yet.
- The ABC is the centralized system that offers credit accumulation and mobility.
- Academic Bank of Credits (ABC) is a virtual/digital storehouse that contains the information of the credits earned by individual students throughout their learning journey. It will enable students to open their accounts and give multiple options for entering and leaving colleges or universities.

17.Skill development:

- Skills-based education fosters and enhances the art of learning. It allows students to excel academically. Skill and degree are important in the modern world. The Parent University has designed the syllabi keeping in mind the importance of skill education.
- Our Institute runs three UG programs - BA, B.Com., and B.Sc. and three PG Programs - MA in Political Science, MA in Geography and M.Com. We offer courses such as three languages English (Compulsory and Optional), Marathi and Hindi (Second Language and Optional), History, Geography, Political Science, Sociology, Public Administration, Economics and Philosophy and MA in Political Science and Geography under Arts program. All these courses cover value-based education to inculcate positivity amongst the learner that include the development of humanistic, ethical, Constitutional, and universal human values of truth (satya), righteous conduct (dharma), peace (shanti), love (prem), nonviolence (ahimsa), scientific temper, citizenship values, and also life-skills etc
- The B. Com and M. Com program provide skills such as communication, numeracy, leadership, problem-solving skills, financial analysis, innovative, critical thinking and analytical skills.
- The Science program demonstrate advanced scientific knowledge, conceptual understanding, problem-solving and critical thinking skills. It also develops skills such as acquiring, analyzing, evaluating and interpreting things and communicate them scientifically.
- The Institute promotes MOOCs for skill development.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

- The curriculum is prepared by SRTMU Nanded University.

While preparing the curriculum, the University covers the areas related to the integration of the Indian Knowledge system. The curriculum is prepared in such a way that it covers our rich cultural heritage including its language, culture and knowledge systems. Besides, participation in Youth Festival organized by the University, annual gathering of the Institutions and cultural programmes organized by other organizations give students a wide and varied exposure to performing their arts from various parts of the country.

- The Institute organizes Chaitra Pallavi/ Sangeet Rajni program on the Hindu New Year Gudi Padva where the participant presents their performances on Indian tradition. As we have celebrating Azhadi ka Amrit Mahotsav, the Institution has organized various cultural programmes for the promotion of Indian culture and tradition. Various activities such as poetry recitation, coin exhibition, Yoga, Poster presentation on Indian Freedom struggle and Marathwada Mukti Sangram.
- The Institute offers two languages, Marathi and Hindi, as second language for UG programmes. Bilingual teaching mode is used in Science and Commerce program. We offer three languages, Marathi, Hindi and English. These languages have classical literature of India into their syllabi. The Institutes celebrates the various Indian festivals for the cultural awareness among the students.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

- The IQAC strives for the Outcome based education across all UG and PG programmes. Being an affiliated Institution, we follow the curriculum provided by the University. The University has defined the Programme Outcome, Programme Specific Outcome and Course outcome. The programme specific outcome is mapped with course outcome using the grades awarded by the University. The Institute conducts two internal examinations in each semester, classroom seminars, presentations, assignments and project writing. Summative evaluation is done through End Semester Examination conducted by the University.
- Our teachers have representation on Board of Studies.
- The POs and COs are displayed on the website. The same are communicated to the students at the time of admission. The Institute also conducts Student Satisfaction Survey (SSS) at the time of their exit.

20.Distance education/online education:

- At present, the Institute doesn't offer any programme in distance mode. We have the recognized PG centres of distance education of Swami Ramanand Teerth Marathwada University, Nanded and UG centre of Yashwantrao Chavan Maharashtra Open University (YCMOU), Nasik.
- Education is the process that cannot be stopped. In the wake of the Pandemic, online mode of education has become the part and parcel of education system. The scenario makes both, i.e., the students and the teachers, techno-friendly. Instead of using blackboards and 'I teach, you learn' methods, our teachers used online platforms such as Zoom, Google meet, Microsoft Teams, Youtube, WhatsApp etc. for teaching-learning purpose. They conducted the classes using these online platforms, shared notes and their PPT presentations, videos etc through them. The institute has also purchased the legal version of ZOOM. In addition to this, the Institution has developed five digital classroom, digital library and provided smart tv, projectors and computer lab.

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and

documented process

Ours is an affiliated institution with SRTMU Nanded. The syllabus and the academic calendar are designed by the Parent University. After the release of the annual schedule, the Institution plans to ensure effective curriculum delivery. At the beginning of the academic year, the principal meets with the staff members. The academic calendar is prepared and various committees are formed for the smooth conduct of the syllabus

The principal of the college conducts the monthly meeting to get feedback regarding the syllabus. Two internal tests are performed during a semester. The teaching plan is prepared and approved. Every teacher is provided DTR Diary. After every month, the teachers must mention the actual periods required to complete a particular unit. If the syllabus of any course is lagging behind, the teacher has to conduct extra classes. Regular classroom attendance and daily teaching reports are submitted to the principal at the end of every month. The departments also arrange classroom seminars, poster presentations, and debates for evaluation purposes. The eminent resource persons are invited, and workshops on the syllabus, Industrial visits and study tours are arranged. At the semester's end, students' feedback is collected and analysed.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The Parent University has adopted the CBCS semester pattern with Continuous Assessment (CA) and End Semester Examination (ESE) system. The University has also introduced Skill Enhancement Course (SEC) to Second- and Third-year students where they are expected to choose any one Skill from the courses available. CBCS pattern has given equal importance to internal and external evaluation. The Continuous Internal Assessment carries 25 marks and is divided into two tests, home assignments, presentation, seminar, and project report. Every unit test carries 10 marks, and assignments 05 marks.

The Institution conducts CIE and at the end of each semester, the

Parent University conducts End Semester Examination of 50 Marks. The institution conducts two internal tests to assess the students and an assignment at the end of each semester. The Institution has a separate Examination Department which monitors and facilitates all the activities throughout the year - schedule of tests, question papers setting, evaluation of answer sheets and declaration of results. The records are maintained, and the marks are sent to the University in the prescribed format.

Remedial classes are conducted for the weaker and irregular students. The performance reports in the internal examination were conveyed to the parents.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

We follow the syllabus framed by the Parent University. The Parent University incorporate great values like gender equality, human

values, environmental protection and sustainability, professional ethics etc. The institution sincerely takes efforts in inculcating these values among students.

Students are made aware of the cross-cutting issues during the classes. They are made aware of gender, caste, religion, nationalism, and human values. The University Curriculum/ Syllabi incorporate gender equality, communal harmony, human values, and Environment awareness. The courses such as literature and social sciences are based on gender and human values. Professional ethics are exposed through career guidance prog., tally, tourism, science and Commerce program. Tally and Tourism courses are available for students.

The Parent University has prescribed Environmental Studies as the mandatory course to the final year students of BA, BCOM and BSc.

The institution invites distinguished resource persons to deliver their talks on cross-cutting issues. The institution also organized workshops, conferences, and seminars on various cross-cutting issues.

NSS department organises camps which provides a great platform to deal with cross-cutting issues.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

Once the admission process is complete, the institution organises an induction ceremony. After the induction program, regular classes commence as per the schedule prepared. In the regular classes, the slow learners and advanced learners are identified by the concerned teachers.

Our unique venture Mentor-Mentee system has proved very useful in identifying students' learning levels.

The students' level is identified by considering his/ her performance in the classroom and in the internal examination. Their performance in the examination is duly rewarded by offering them prizes and displaying their names on notice boards. They are given due representation in various associations in the college. They are made Class Representatives and encouraged to participate in various activities such as debating competitions, poster presentations, essay writing, and competitive examination. Advanced learners are advised to take the competitive examinations and required guidance is provided. Eminent guest lectures are invited for further assistance.

The institution does the following things for the 'Slow Learners' and 'Advanced Learners'

- Remedial coaching
- Extra classes
- Notes, MCQs
- Mentor-Mentee

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

The institution has adopted student-centric methods for enhancing learning experiences.

Participative Learning:

Participative Learning makes students more active and alert. For this purpose, the discussion method in the classroom is adopted to introduce the basic concepts and latest information. The students are also given assignments so that they can be participative. It also helps to develop their understanding. They are asked to make poster presentations on various occasions. For this purpose, the students can access computers and the library.

Problem-Solving Methodology:

The Institution arranges lectures of eminent personalities at regular intervals. The eminent personalities share their opinions and experiences on various concerns which is an essential problem-solving tool. The students are also encouraged to attend conferences, seminars, and workshops. The Institution publishes theme oriented annual magazine 'Mashal' every year.

Experimental Learning:

The students of science use laboratories. The college allocates project work and assignments to students. Study tours and industrial and bank visits were arranged. Students are encouraged to participate in classroom seminars and presentations. The Institution also organizes Extracurricular activities. Through the NSS unit, various experimental learning programmes are organized. Sports and cultural activities are regularly organized.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

Creativity and innovation are part and parcel of the contemporary period. We came far ahead of the age-old tradition 'I teach, you learn'. This is the age of Teach less, Learn more. It is the era of Information and Technology. With the changing scenario, the institution also accepted the challenges and tried to cope with the need of the hour. The present scenario forced us to adopt an ICT culture.

The institution has taken some measures towards it. Five classrooms are converted into digital classrooms with OHP and net connectivity. The blackboards are replaced with whiteboards. Portable speakers are provided to the faculty. There are two seminar halls. Well-furnished Computer Lab is also made available with LCD Projector and internet connectivity. Free Wi-Fi facility is provided.

The teachers make use of laptops, desktops, and smartphones to show PPT. Dramas, movies, and other clips, related to the syllabus, are frequently offered to the students.

In short, the institution has -

1. 05 digital classroom
2. Digital Library
3. Subscription to Public domain databases like N-list
4. Virtual classrooms such as Google Classroom.
5. ZOOM platform for online teaching.

- Assessment through students' active performance in class, and other activities
- Assessment through 'assignments' and 'project work'.

The Institution implements all the instructions given by the Parent university for the mechanism of internal assessment. The Continuous Assessment is done by the Institution and End Semester Examination by the University. Two internal tests are conducted in

a semester. The assessed answer sheets are given to the students and if any grievance is raised, it is immediately cleared.

The Examination Committee conducts internal examinations and pre-semester examinations in each semester. The EC prepares the examination timetable, decides the period for assessment of answer sheets, announces the result, and prepares the merit list. The merit list is displayed on the notice board. The students are appealed to register their grievances and if registered, the grievances are cleared in the stipulated time

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

The Parent University has introduced a CBCS pattern assessing students at two levels – End Semester Examination carried out by the University and Continuous Assessment carried out by the Institution. Hence the grievances may be two-fold – at the Institution level regarding internal assessment and at the university level regarding ESE.

The grievances related to internal assessment are immediately informed to the concerned department and clarification is sought. For internal grievances related to examination following mechanism is followed:

1. The first internal examination is carried out after completion of 50 % syllabus and the Second after completion of the remaining.
2. After the evaluation, the answer sheets are shown to students.
3. The merit list of the student displayed.
4. Marks are rectified if necessary.

For grievances related to ESE, the University has formulated rules and regulations. The students may apply for rechecking and revaluation. Revalued mark statements are given to the concerned students.

Further, the student may demand a photocopy of the answer sheet.

In case of any change in the awarded marks, it is informed to the university for correction. The university sends the corrected marks statement to the institution.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

Yes, the program outcomes are displayed on the college website. The course outcomes are conveyed in the syllabi prescribed by the parent university. The Institution offers three programs at the UG level (Bachelor of Arts, Commerce and Science) and three at the PG level (MCom., MA in Geography and MA in Political Science). In addition, the Institution has the recognised study centre of YCMOU and SRTM University Distance Education.

- The program outcome of the Arts faculty is to enable students to acquire communication skills and knowledge of the subject chosen by him or her. The syllabus of BA covers Humanities, Literature, and Social Science. These branches of knowledge are significant to develop the consciousness of students.
- The Commerce program enables students to acquire the professional and commercial skills that would be important for their employment.
- The Science program will develop logical thinking, observation, systematic approach, logical thinking, clarity of thought and expression, as well as qualitative and quantitative decision-making.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

- The program outcomes and program Specific outcomes are assessed with the help of course outcomes of the relevant courses through direct and indirect methods.
- The End Semester Examination conducted by the university and internal examination conducted by the Institution in each semester is the direct ways to check Cos. The course outcome is measured by the result of ESE and IE.
- After the announcement of the result, the course outcome is analysed and discussed in the meeting with the principal. It helps us to understand whether the student has achieved the desired level of Cos.
- The assignment topics, related to the course content, are given to the students with the intention that the student should go into detail and use textbooks and reference books for the preparation as well as it enables them to understand the objectives of the course. The assignments are assessed by the teachers and marks are awarded.
- Student mentoring and parent-teacher internal interactions are conducted at regular intervals and additional academic inputs are provided to ensure so that students can achieve intended learning outcomes.
- Interactive classroom sessions, seminars, presentations, study tours, industrial visits etc play an important role to attain the desired Cos.

3.2 - Innovation Ecosystem

3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

The Institution has formed a Research Committee showing the initial sign towards creating an ecosystem for innovation and the transfer of knowledge. The Committee motivates and encourages the faculty as well as the students to be a part of research activities by participating and presenting articles in Workshops, Seminars, Conferences and FDP. Students are encouraged to register their active participation in workshops/ seminars/ conferences, wallpaper presentation, assignment writing, article writing for the college's annual magazine 'Mashal' as well as other activities in the college that may bring out their innovative ideas.

The RC always encourages faculties to upgrade their qualification. As a result, we have more than eighty per cent of the faculty with

a doctorate in their respective subjects. We have also applied for the Research Centre. The Institute has provided a Library and e-library and 05 ICT-enabled classrooms and Computer Lab which help the faculties to do their research and other online activities. The field trips, industrial visits and institutional visits are arranged by the faculties for the practical knowledge to the students. NSS plays a significant role to make the students aware of many issues.

3.4 - Extension Activities

3.4.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

The Institution promotes institutional neighbourhood-community network and students' engagement for contributing to good

citizenship, service orientation and holistic development. The college is aware of social commitment, therefore the college always organizes different extension activities.

The NSS unit of our college carries out various programs throughout the year on campus and outside the campus. The NSS unit enrolls 125 students as volunteers, campaigns are regularly organized under the guidance of the principal and NSS programme officer to make the society aware.

NSS volunteers always participate in various rallies organised on social issues. The NSS unit of the college encourages students to mingle in society and promote social accountability among them through various social activities. These activities encourage the students to become more social and responsible.

The following social activities/program are organized at the adopted village as well as at the level of institution for the benefit to the community:

- Tree plantation
- Aids awareness
- Blood Donation
- Rainwater harvesting

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

Student Council of the college is formed according to the guidelines of the Parent University and State Government. It consists of thirteen to sixteen members. The selection criteria are on the merit base. At present, as per the judgement of High Court, selection of Class Representative is done on the basis of election. The students representing various categories such as Lady representative, one representative from Sports, NSS, Cultural and twelve are Class representative from undergraduate classes and post graduate classes. These members elect General Secretary through election. General secretary of the college has a right to vote for University Representative.

Student Council plays important role in creating awareness in students regarding their duties and responsibilities. It is the example of participatory management. The Student Council is actively involved in all the activities carried out by the college such as Annual Social Gathering, Cultural Programmes, NSS, Sports, Grievance and Academic Planning.

Apart from the Student Council, the students are given due representation in the following committees:

5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

Alumni are the brand ambassadors of any Institution. An Institution is known by the students it prepares. We have a registered Alumni Association in the name of Jaikranti Alumni Association on 19.03.2019. The Alumni Association meets twice in the year. Various issues like Curriculum of the Parent University, assistance to economically poor students, guidance for competitive examinations SSR / AQAR preparation are discussed in those meeting. It has become very fruitful to maintain healthy environment between Institution and Alumni.

The students have visited our institutions and share their experiences with our students on various issues including MPSC and UPSC and other Competitive Exams. Our Alumni, being from rural and economically poor background, they have not contributed much in terms of money. They have donated dust beans to our institution which is supposed to be a positive gesture towards Swachya Bharat Abhiyan of Government of India. Besides, the association also donated 06 chairs to IQAC and books to our library. We obtain regular feedback from the alumni whenever the revision of syllabus takes place.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

The management is in continuous touch with the faculty at formal and informal occasions and making them aware of the responsibility, affinity, and ownership at different levels. The management has offered the complete freedom for the implementation of strategic plans.

The Institution has insured an effective internal coordinating and monitoring system for effective implementation and improvement of the strategic plans. Once the planning of curricular, extra-curricular and co-curricular activities are done, the faculty is assigned the responsibilities to execute it. All the plans are discussed and approved in the College Development Committee (CDC) meetings.

Every year academic calendar is prepared by the Academic Calendar Committee. 6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

Yes, Institution has Performance Based Appraisal System (PBAS) for teaching and non-teaching staff. The teaching staff is assessed through self-appraisal and feedback received from the students.

IQAC analyses the PBAS and supporting documents provided and informs the principal. The principal gives necessary instruction to the concern teacher if needed. These PBAS forms are considered for Career Advanced Scheme. CAS and other benefits are given to the faculty based on endorsements in the PBAS forms.

Daily teaching reports (DTR) is mandatory for teaching staff. It is one of the important tools that reflects curricular progress. The principal, at the end of every month, analyses DTR and gives necessary instructions.

The performance of the non-teaching staff is analysed periodically by the principal and reported to the management.

The performance of the faculty on CHB and on Contract Basis is also analysed by the HOI. For the same, the remarks of the respective HOD's, the devotion, the sincerity towards the work culture and the feedback from the student are taken into consideration.

The PBAS form of Principal is submitted to the Secretary of the Institution for his remarks.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The IQAC is envisaged as a mechanism to ensure, build, and develop a quality culture at the institutional level. The IQAC considers the academic calendar prepared and prescribed by the university and accordingly chalks out the college academic plan. Meetings with heads of the departments are conducted at the beginning of the academic year after which allotment of faculty workload, etc. is completed. Annual teaching plans are prepared at the commencement of the academic year and are rigorously followed by the faculty. Daily teaching diaries are invariably maintained by the faculty. The IQAC monitors all these activities. The teaching-learning outcome is evaluated by studying the feedback given by students. Improvements are made in accordance with suggestions. Periodical tests are carried out to assess the learning outcome. Students also make use of the computer lab and library and digital library.

Audio-visual aids and Information Communication Technology are invariably applied. The faculty regularly participates in subject conferences, seminars, symposia, refresher courses, orientation

courses, short-term courses etc. to upgrade their subject knowledge. Research activities like publishing research papers, books etc. are also undertaken by the faculty, which further helps improve their classroom performance.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

01 LIBRARY ENRICHMENT THROUGH FACULTY MEMBER'S BIRTHDAY

CELEBRATION The library occupies a very important place in any educational institute. It is one of the essential instruments that support the researchers. It helps to quench the knowledge thirst of the readers. It is regarded as the centre of intellectual and social activity in the educational institution. It satisfies the thirst of different age groups of students with its magazines, periodicals, newspapers and other resource material. A student gets additional information that he needs in the library which sometimes may not be exposed in the classroom. The prescribed books may not satisfy the interest of the students as they are often imposed on them. Keeping the importance of the library in mind, the IQAC Chairperson and the Head of the Institution proposed to enrich the library through Faculty Members' Birthday Celebration.

02. JAIKRANTI MATA-PITA AADHAR YOJANA 'Matrudevo Bhav, Pitru devo Bhav' is the cultural message. parents devote their life to the upbringing of a child. The question is what happens when our parents grow old? What they need in old age is emotional and economic assistance from their children. Jaikranti Mata-Pita Adhar

Yojana is a scheme devised to provide financial assistance to parents.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

STUDENT MENTORING SYSTEM Mentoring has been formed in the year 2017-18. Students come from HSC to College, where the class teacher is not there, and only the scheduled timetable for teaching is followed. Somehow, student-teacher communication was lacking. The student mentoring system was thought of as a good solution. It is to have the attention of caring adults on the College campus. It is to help students to guide them for future opportunities. This support system is to help them to set future goals and newer options in a more realistic way. Self Study Report of Bharat Shikshan Prasarak Mandal's Latur Jaikranti Arts Sr. College, Latur aware student about his/her potential. It is for the progress of students in today's world of competition. Traditional joint family support is missing in most families so to assist adolescents in shaping their future, the system is supposed to work. Therefore the college has decided to entertain the hopes and aspirations of students irrespective of caste, sex, religion and financial background. Many of our students from rural areas lack the proper academic background and financial backup.

Mentoring students thus is an essential feature to render equitable service to all our students who have varied backgrounds.

Part B

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

Ours is an affiliated institution with SRTMU Nanded. The syllabus and the academic calendar are designed by the Parent University. After the release of the annual schedule, the Institution plans to ensure effective curriculum delivery. At the beginning of the academic year, the principal meets with the staff members. The academic calendar is prepared and various committees are formed for the smooth conduct of the syllabus

The principal of the college conducts the monthly meeting to get feedback regarding the syllabus. Two internal tests are performed during a semester. The teaching plan is prepared and approved. Every teacher is provided DTR Diary. After every month, the teachers must mention the actual periods required to complete a particular unit. If the syllabus of any course is lagging behind, the teacher has to conduct extra classes. Regular classroom attendance and daily teaching reports are submitted to the principal at the end of every month. The departments also arrange classroom seminars, poster presentations, and debates for evaluation purposes. The eminent resource persons are invited, and workshops on the syllabus, Industrial visits and study tours are arranged. At the semester's end, students' feedback is collected and analysed.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The Parent University has adopted the CBCS semester pattern with Continuous Assessment (CA) and End Semester Examination (ESE) system. The University has also introduced Skill Enhancement Course (SEC) to Second- and Third-year students

where they are expected to choose any one Skill from the courses available. CBCS pattern has given equal importance to internal and external evaluation. The Continuous Internal Assessment carries 25 marks and is divided into two tests, home assignments, presentation, seminar, and project report. Every unit test carries 10 marks, and assignments 05 marks.

The Institution conducts CIE and at the end of each semester, the Parent University conducts End Semester Examination of 50 Marks. The institution conducts two internal tests to assess the students and an assignment at the end of each semester. The Institution has a separate Examination Department which monitors and facilitates all the activities throughout the year - schedule of tests, question papers setting, evaluation of answer sheets and declaration of results. The records are maintained, and the marks are sent to the University in the prescribed format.

Remedial classes are conducted for the weaker and irregular students. The performance reports in the internal examination were conveyed to the parents.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

We follow the syllabus framed by the Parent University. The Parent University incorporate great values like gender equality, human values, environmental protection and sustainability, professional ethics etc. The institution sincerely takes efforts in inculcating these values among students.

Students are made aware of the cross-cutting issues during the classes. They are made aware of gender, caste, religion, nationalism, and human values. The University Curriculum/ Syllabi incorporate gender equality, communal harmony, human values, and Environment awareness. The courses such as literature and social sciences are based on gender and human values. Professional ethics are exposed through career guidance prog., tally, tourism, science and Commerce program. Tally and Tourism courses are available for students.

The Parent University has prescribed Environmental Studies as the mandatory course to the final year students of BA, BCOM and BSc.

The institution invites distinguished resource persons to deliver their talks on cross-cutting issues. The institution also organized workshops, conferences, and seminars on various cross-cutting issues.

NSS department organises camps which provides a great platform to deal with cross-cutting issues.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

Once the admission process is complete, the institution organises an induction ceremony. After the induction program, regular classes commence as per the schedule prepared. In the regular classes, the slow learners and advanced learners are identified by the concerned teachers.

Our unique venture Mentor-Mentee system has proved very useful in identifying students' learning levels.

The students' level is identified by considering his/ her performance in the classroom and in the internal examination. Their performance in the examination is duly rewarded by offering them prizes and displaying their names on notice boards. They are given due representation in various associations in the college. They are made Class Representatives and encouraged to participate in various activities such as debating competitions, poster presentations, essay writing, and competitive examination. Advanced learners are advised to take the competitive examinations and required guidance is provided. Eminent guest lectures are invited for further assistance.

The institution does the following things for the 'Slow Learners' and 'Advanced Learners'

- Remedial coaching
- Extra classes
- Notes, MCQs
- Mentor-Mentee

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

The institution has adopted student-centric methods for enhancing learning experiences.

Participative Learning:

Participative Learning makes students more active and alert. For this purpose, the discussion method in the classroom is adopted to introduce the basic concepts and latest information. The students are also given assignments so that they can be participative. It also helps to develop their understanding. They are asked to make poster presentations on various occasions. For this purpose, the students can access computers and the library.

Problem-Solving Methodology:

The Institution arranges lectures of eminent personalities at regular intervals. The eminent personalities share their opinions and experiences on various concerns which is an essential problem-solving tool. The students are also encouraged to attend conferences, seminars, and workshops. The Institution publishes theme oriented annual magazine 'Mashal' every year.

Experimental Learning:

The students of science use laboratories. The college allocates project work and assignments to students. Study tours and industrial and bank visits were arranged. Students are encouraged to participate in classroom seminars and presentations. The Institution also organizes Extracurricular activities. Through the NSS unit, various experimental learning programmes are organized. Sports and cultural activities are regularly organized.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

Creativity and innovation are part and parcel of the contemporary period. We came far ahead of the age-old tradition 'I teach, you learn'. This is the age of Teach less, Learn more. It is the era of Information and Technology. With the changing scenario, the institution also accepted the challenges and tried to cope with the need of the hour. The present scenario forced us to adopt an ICT culture.

The institution has taken some measures towards it. Five classrooms are converted into digital classrooms with OHP and net connectivity. The blackboards are replaced with whiteboards. Portable speakers are provided to the faculty. There are two seminar halls. Well-furnished Computer Lab is also made available with LCD Projector and internet connectivity. Free Wi-Fi facility is provided.

The teachers make use of laptops, desktops, and smartphones to show PPT. Dramas, movies, and other clips, related to the syllabus, are frequently offered to the students.

In short, the institution has -

1. 05 digital classroom
2. Digital Library
3. Subscription to Public domain databases like N-list
4. Virtual classrooms such as Google Classroom.
5. ZOOM platform for online teaching.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The students are assessed on the following 'Mode of Assessment':

- Internal assessment through tests.
- Classroom interaction with students.
- Implementation of Mentor-Mentee system.
- Personal counselling
- Providing notes, Multiple Choice Question bank etc.
- PPT presentations, charts, figures, and video clips wherever applicable.
- Assessment through students' active performance in class, and other activities
- Assessment through 'assignments' and 'project work'.

The Institution implements all the instructions given by the Parent university for the mechanism of internal assessment. The

Continuous Assessment is done by the Institution and End Semester Examination by the University. Two internal tests are conducted in a semester. The assessed answer sheets are given to the students and if any grievance is raised, it is immediately cleared.

The Examination Committee conducts internal examinations and pre-semester examinations in each semester. The EC prepares the examination timetable, decides the period for assessment of answer sheets, announces the result, and prepares the merit list. The merit list is displayed on the notice board. The students are appealed to register their grievances and if registered, the grievances are cleared in the stipulated time

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time-bound and efficient

The Parent University has introduced a CBCS pattern assessing students at two levels - End Semester Examination carried out by the University and Continuous Assessment carried out by the Institution. Hence the grievances may be two-fold - at the Institution level regarding internal assessment and at the university level regarding ESE.

The grievances related to internal assessment are immediately informed to the concerned department and clarification is sought. For internal grievances related to examination following mechanism is followed:

1. The first internal examination is carried out after completion of 50 % syllabus and the Second after completion of the remaining.
2. After the evaluation, the answer sheets are shown to students.
3. The merit list of the student displayed.
4. Marks are rectified if necessary.

For grievances related to ESE, the University has formulated rules and regulations. The students may apply for rechecking and revaluation. Revalued mark statements are given to the

concerned students.

Further, the student may demand a photocopy of the answer sheet. In case of any change in the awarded marks, it is informed to the university for correction. The university sends the corrected marks statement to the institution.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

Yes, the program outcomes are displayed on the college website. The course outcomes are conveyed in the syllabi prescribed by the parent university. The Institution offers three programs at the UG level (Bachelor of Arts, Commerce and Science) and three at the PG level (MCom., MA in Geography and MA in Political Science). In addition, the Institution has the recognised study centre of YCMOU and SRTM University Distance Education.

- The program outcome of the Arts faculty is to enable students to acquire communication skills and knowledge of the subject chosen by him or her. The syllabus of BA covers Humanities, Literature, and Social Science. These branches of knowledge are significant to develop the consciousness of students.
- The Commerce program enables students to acquire the professional and commercial skills that would be important for their employment.
- The Science program will develop logical thinking, observation, systematic approach, logical thinking, clarity of thought and expression, as well as qualitative and quantitative decision-making.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

- The program outcomes and program Specific outcomes are assessed with the help of course outcomes of the relevant courses through direct and indirect methods.
- The End Semester Examination conducted by the university and internal examination conducted by the Institution in each semester is the direct ways to check Cos. The course outcome is measured by the result of ESE and IE.
- After the announcement of the result, the course outcome is analysed and discussed in the meeting with the principal. It helps us to understand whether the student has achieved the desired level of Cos.
- The assignment topics, related to the course content, are given to the students with the intention that the student should go into detail and use textbooks and reference books for the preparation as well as it enables them to understand the objectives of the course. The assignments are assessed by the teachers and marks are awarded.
- Student mentoring and parent-teacher internal interactions are conducted at regular intervals and additional academic inputs are provided to ensure so that students can achieve intended learning outcomes.
- Interactive classroom sessions, seminars, presentations, study tours, industrial visits etc play an important role to attain the desired Cos.

3.2 - Innovation Ecosystem

3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and

transfer of knowledge

The Institution has formed a Research Committee showing the initial sign towards creating an ecosystem for innovation and the transfer of knowledge. The Committee motivates and encourages the faculty as well as the students to be a part of research activities by participating and presenting articles in Workshops, Seminars, Conferences and FDP. Students are encouraged to register their active participation in workshops/seminars/ conferences, wallpaper presentation, assignment writing, article writing for the college's annual magazine 'Mashal' as well as other activities in the college that may bring out their innovative ideas.

The RC always encourages faculties to upgrade their qualification. As a result, we have more than eighty per cent of the faculty with a doctorate in their respective subjects. We have also applied for the Research Centre. The Institute has provided a Library and e-library and 05 ICT-enabled classrooms and Computer Lab which help the faculties to do their research and other online activities. The field trips, industrial visits and institutional visits are arranged by the faculties for the practical knowledge to the students. NSS plays a significant role to make the students aware of many issues.

3.4 - Extension Activities

3.4.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

The Institution promotes institutional neighbourhood-community network and students' engagement for contributing to good citizenship, service orientation and holistic development. The college is aware of social commitment, therefore the college always organizes different extension activities.

The NSS unit of our college carries out various programs throughout the year on campus and outside the campus. The NSS unit enrolls 125 students as volunteers, campaigns are regularly organized under the guidance of the principal and NSS programme officer to make the society aware.

NSS volunteers always participate in various rallies organised on social issues. The NSS unit of the college encourages students to mingle in society and promote social accountability among them through various social activities. These activities encourage the students to become more social and responsible.

The following social activities/program are organized at the adopted village as well as at the level of institution for the benefit to the community:

- Tree plantation

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

The overall authority and responsibility for maintaining and utilizing the physical, academic support facilities rests with the Principal. Based on the perspective development plan, the principal proposes the infrastructural needs to the concerned authorities. The Infrastructural plan is also discussed in meetings of the College Development Committee (CDC). The Principal by delegating the powers and responsibilities to the head of Departments and various committees ensures that the resources are optimally utilized and maintained for the benefit of the stakeholder.

- A qualified engineer is appointed by management to look after infrastructure augmentation and maintenance. The physical and academic facilities are updated whenever found necessary. Due care is taken of the facilities by each member of the institution.
- Library resources are maintained by the Librarian with the help of support staff under the overall supervision of the Library Committee.
- The maintenance of computer hardware and IT-enabled systems, LCD projectors are done by technicians from outside who are invited as per the need.
- The overall maintenance of furniture, computers, Xerox machines etc. is made through the trained and qualified Person.
- The Sports equipment and accessories are maintained by the director of Physical Education with the help of support Staff.

5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

Alumni are the brand ambassadors of any Institution. An Institution is known by the students it prepares. We have a registered Alumni Association in the name of Jaikranti Alumni Association on 19.03.2019. The Alumni Association meets twice in the year. Various issues like Curriculum of the Parent University, assistance to economically poor students, guidance for competitive examinations SSR / AQAR preparation are discussed in those meeting. It has become very fruitful to maintain healthy environment between Institution and Alumni.

The students have visited our institutions and share their experiences with our students on various issues including MPSC and UPSC and other Competitive Exams. Our Alumni, being from

rural and economically poor background, they have not contributed much in terms of money. They have donated dust beans to our institution which is supposed to be a positive gesture towards Swachya Bharat Abhiyan of Government of India. Besides, the association also donated 06 chairs to IQAC and books to our library. We obtain regular feedback from the alumni whenever the revision of syllabus takes place.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

The management is in continuous touch with the faculty at formal and informal occasions and making them aware of the responsibility, affinity, and ownership at different levels. The management has offered the complete freedom for the implementation of strategic plans.

The Institution has insured an effective internal coordinating and monitoring system for effective implementation and improvement of the strategic plans. Once the planning of curricular, extra- curricular and co-curricular activities are done, the faculty is assigned the responsibilities to execute it. All the plans are discussed and approved in the College Development Committee (CDC) meetings.

Every year academic calendar is prepared by the Academic

Calendar Committee. The vision, Mission and goals of the institution are taken into consideration in enhancement and up-gradation of the institutional activities, development of academic culture, enhancement in research culture, library services and strengthening the feedback mechanism. Good Infrastructure facilities including spacious classrooms, educational material, computers, internet, library, staffroom and other educational equipment is provided for the effective implementation of the policies.

The various committees such as IQAC, Admission, NSS, Grievance Cell, Students Council, Sports, Discipline, Cultural, Examination, Library, Student Welfare etc are constituted for effective implementation of the policy.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The IQAC is envisaged as a mechanism to ensure, build, and develop a quality culture at the institutional level. The IQAC considers the academic calendar prepared and prescribed by the university and accordingly chalks out the college academic plan. Meetings with heads of the departments are conducted at the beginning of the academic year after which allotment of faculty workload, etc. is completed. Annual teaching plans are prepared at the commencement of the academic year and are rigorously followed by the faculty. Daily teaching diaries are invariably maintained by the faculty. The IQAC monitors all these activities. The teaching-learning outcome is evaluated by studying the feedback given by students. Improvements are made in accordance with suggestions. Periodical tests are carried out to assess the learning outcome. Students also make use of the computer lab and library and digital library.

Audio-visual aids and Information Communication Technology are invariably applied. The faculty regularly participates in subject conferences, seminars, symposia, refresher courses, orientation courses, short-term courses etc. to upgrade their subject knowledge. Research activities like publishing research papers, books etc. are also undertaken by the faculty, which further helps improve their classroom performance.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

The Institute does not have much campus area, but Institute is very keen on the environment. We have planted trees outside the campus. We have an NSS unit. With the help of the unit, we clean the available campus area. Our campus is plastic free. We try our best to avoid plastic and plastic items. Further, there is a compulsory environment paper for Third-year students to create awareness of the environment in students.

Solid waste management: The Institution has kept two separate dust bins to collect wet and dry wastes. The accumulated solid waste is handed over to Latur Municipal Corporation's innovative step towards cleanliness program - Ghantagadi. Hence, the disposal of solid waste is done by the local bodies.

Liquid waste management:

We have started the Science stream this year. Hence there is no liquid effluent. **E-waste management:**

A separate room is made available to store corrupted E-waste. The competent technician is invited for the maintenance of computers, printers, projectors and other electronic equipment. Repairable electronic items are repaired and irretrievable are handed over to the authorized person for recycling.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

01 LIBRARY ENRICHMENT THROUGH FACULTY MEMBER'S BIRTHDAY CELEBRATION The library occupies a very important place in any educational institute. It is one of the essential instruments that support the researchers. It helps to quench the knowledge thirst of the readers. It is regarded as the centre of intellectual and social activity in the educational institution. It satisfies the thirst of different age groups of students with its magazines, periodicals, newspapers and other resource material. A student gets additional information that he needs in the library which sometimes may not be exposed in the classroom. The prescribed books may not satisfy the interest of the students as they are often imposed on them. Keeping the importance of the library in mind, the IQAC Chairperson and the Head of the Institution proposed to enrich the library through Faculty Members' Birthday Celebration.

02. JAIKRANTI MATA-PITA AADHAR YOJANA 'Matrudevo Bhav, Pitru devo Bhav' is the cultural message. parents devote their life to the upbringing of a child. The question is what happens when our parents grow old? What they need in old age is emotional and economic assistance from their children. Jaikranti Mata-Pita Adhar Yojana is a scheme devised to provide financial assistance to parents.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

STUDENT MENTORING SYSTEM Mentoring has been formed in the year 2017-18. Students come from HSC to College, where the class teacher is not there, and only the scheduled timetable for teaching is followed. Somehow, student-teacher communication was lacking. The student mentoring system was thought of as a good solution. It is to have the attention of caring adults on the College campus. It is to help students to guide them for future opportunities. This support system is to help them to set future goals and newer options in a more realistic way. Self Study Report of Bharat Shikshan Prasarak Mandal's Latur Jaikranti Arts Sr. College, Latur aware student about his/her potential. It is for the progress of students in today's world of competition. Traditional joint family support is missing in most families so to assist adolescents in shaping their future, the system is supposed to work. Therefore the college has decided to entertain the hopes and aspirations of students irrespective of caste, sex, religion and financial background. Many of our students from rural areas lack the proper academic background and financial backup.

Mentoring students thus is an essential feature to render equitable service to all our students who have varied backgrounds.
